

June 21, 2023

As the Grand Secretary, I met with all the Grand Directors who were in attendance at the Grand Session after the Session had ended.

The first course of business was to elect a Chairman of the Board of Grand Directors. Brother Michael Amato #613, PGP, GD nominated the existing Chairman, Brother Tommy Figueria #573, GD to this position for the coming year. Brother Alex Schmitt #8, GD seconded the nomination. Brother Tommy accepted the position of Chairman of the Board of Grand Directors for YMI year 2023-2024.

Brother Domenic Carinalli #54, GD was then asked if he wanted to take on the position as Vice-Chairman. Brother Domenic agreed to assume this role.

We then reviewed dates for the first Board of Grand Directors meeting of the next YMI year. August 5, 2023 was the best date based on everyone's schedule.

The meeting was adjourned after the date was selected for the first Board of Grand Directors meeting.

For God & Country,

Brother Michael Dimech #613, PGP  
Grand Secretary
