Stay safe...Stay healthy...Stay happy!

Next meeting... Will be **next week**, Tuesday, March 16th at 11 am.

This will be a video meeting, and the start of something new! The future is here, now.

The information you need to sign up, which is free, is attached to this newsletter.

Please take advantage of this, it is just the beginning of how you communicate, and , I don't mean just with YMI... soon, your family, job, shopping, and everything you used to do, will never be the same. Sooo... as the saying goes, you might as well get on it now...the practice will do you good.

There are two attachments, one to sign up with zoom, and how to connect with the meetings on video. Just follow the instructions...it may take a while. If you have a problem, I suggest you call Brother John Diaz at: 1(408) 640-6996. He is very knowledgeable about all this.

The second page has the information for calling in to the meeting, if you would rather do that. **WHAT EVER...MAKE SURE YOU SAVE THIS INFORMATION, IT WILL GET EASIER AS YOU PRACTICE, SO PLEASE DO THAT.**

The YMI Seminarian Educational Foundation scholarships need to be sent in before May 1st. Can Father Paolo and Brother Gullo help me on that? Call (408) 802-2958.

The YMI 2 ESSAY CONTEST...applications are due in May 15th. If you need an application form, or info, call Brother Frank (408) 802-2958.

Say a little prayer... for each other, we all can use it!

Happy St. Patrick's Day, darnnnn, I miss Dan and Cami's corned beef...can you zoom some of that? And I also miss seeing y'all, give me a call...anytime!

God Bless us all!
