President's Message

Greetings Dear Brothers:

Just like there were no shortages of Saturdays and Sundays in August (10 in all) there was plenty of activity with Council 32. Things kicked off with a night out at the San Jose Giants ballgame. On a warm Summer evening we were joined with # 613 brothers and guests to watch the SF Giants AA team take on the Modesto Nuts. The home team lost but we had a great time with a full BBQ meal and witnessed some nice pitching by both teams. Although, we fell short on total ticket sales, out of the 20 purchased a \$75 donation will be made to the food basket. Thanks to all for your support.

Many of our brothers headed to San Bruno Park on August 24 for the Council 613 annual picnic. Once again we feasted on BBQ steak, plenty of sides, and delicious deserts. Brother **George Campi** provided the musical entertainment with his accordion featuring some sing alongs. Brother **Dave Novi** definitely shone with his vocal accompaniment to many of the tunes. The highlight being Volarie! Following the BBQ and Raffle there was horseshoes with Br. **Glenn Williams** the reigning champ of the pit.

Closing out August we held our Social at Orange Park with pizza and bocce. It gave us a chance to do some socializing outside as well as get some practice for the upcoming Bocce Ball Tournament September 27. From what I understand Council 32 will be well

represented at this year's tournament. Teams have been formed with more to follow. Be sure to get your team application in before the deadline of September 6. Thank you to **Annette Novi** and **Bernice Schwery** for bringing desert for that night as well!

July 31 was the opening of the Softball Season for Council the #32 team. Want to check them out? There are only three games remaining on the schedule. See the schedule on page two.

Down to business: Br. **Ron Guaraldi** gave us a report on this year's food basket. The number of boxes will be cut back to 300. We are in need of a temporary storage area. If you have or know of anyone who has space to store food items in November / December please let Br. Ron know. Also, we are asking for members to solicit food items and cash donations from stores, if possible. Remember to bring a canned good or dry food item to the next business meeting.

The executive committee will be reviewing the wording of our by-laws Article XVI, section 2. This is in regard to delegates and hotel expenses attending the annual Grand Council Meetings in June. Brother **Tom Fourie** spoke on the wording of the Constitution and By-laws to provide clarification of intent. Anyone, with a recommendation for how they should be written should submit in writing their recommendation to the executive committee.

Council Chatter....

The members of YMI Council 32 extend their sympathy to the family of Brother **Joe Languemi** who recently passed.

We also lost Brother **Brian Mayer** on Sunday, at the age of 74. Sincere sympathy to his family. Brother Brian Joined YMI in 1958 and transferred to Council #32 from Council #77 in 1980.

The members of YMI Council 32 extend their sympathy to the family of Brother **Jim Cornett** who recently passed.

John Colarusso (**Brother Al's** son) just graduated U.C. Davis this past June. In July he started his new full time job as a software engineer. His younger brother, Allen attends college in Moraga. Keep up the good work, boys!

Brother **Phil Oberst** writes: If anyone knows of a "data center technician" job opening, please let me know. Phil has a copy of his son-in-laws resume to pass on.

Get well wishes to Past-President **Nenar Nicolas'** lovely wife, Flor Nicolas! She is recuperating very well from hip surgery. She even attended the Council 32 Bocce Ball event with her husband and while doing some cheerleading...also did a few cartwheels by the courts! OK. I'm joking about the cartwheels....but she is doing well!
