May 2019

President's Message

Greetings Brothers of South San Francisco Council #32,

Spring has definitely sprung and the month of May is upon us. We will look forward to honoring our Mothers this month as they continue to be our foundation in life.

Whether we are fortunate to have them with us or whether they have moved on to their eternal reward, they are the reason for us being here on earth and have made us who we are....thank you Mom.

Council #32 continues with its activities from April (meeting, Social, Communion Breakfast) to May (meeting and Social). The Council has 180 members and wouldn't it be great if we saw each of you present at least once during the year at a YMI function? What would it take to accomplish that?

We have begun to solicit Brothers to run for Council Office for 2019-2020. We will continue to fill in the slots at the May Business Meeting. If you are interested in helping in any way, please come and make your intentions known. New faces in the Council offices would be a tremendous bright spot for our future at #32.

Several student writers sponsored by Council #32 were judged to be winners in the recent Pro Patria Essay Contest. Hopefully they and their parents will be present at the May Social and can be presented their prizes and share their written thoughts with us.

Three Council #32 Brothers were voted as Council Delegates to the 134th Grand Council Session this June in South Lake Tahoe. They being Brothers **Paul Larson**,

President's Message

Larry Andreatta and Brian Dunbar.

Our Council is entitled to a total of six Council elected delegates. We will attempt to place three more names on this list at the May Business meeting. Please think about joining all of us along the shores of Lake Tahoe June 17-19. It is really a learning experience & why not enjoy yourself at the same time.

We are still in need for folks to take over the reigns of the YMI #32 Christmas Party this December. As Brother **Bob Bartoli** summarized at the last meeting, much of the pre-planning has already been done, so that it should not be too difficult to put on the finishing touches. We will again ask for volunteers at the May Business Meeting.

In the past few weeks several Council #32 Brothers have been called to the great YMI Council in heaven. Some of them were frequent attendees to our meetings, while others were in name only on our membership list, but always paid their dues for over more than fifty years. Keep them in your prayers.

Choosing a YMI Brother of the Month for May just does not seem right. Given the role of our mothers, wives, daughters, grand daughters, etc. in all of our lives, it would only be appropriate to take one month of the year to consider them as our real People of the Month for #32. Without their support and caring, we probably would not exist as a viable Council.. Their behind the scenes presence makes all of us look very good....so thank you ladies!

Yours for God and Country,

Tom Fourie

A Mother's Love

There is no love, like a mother's love, no stronger bond on earth... like the precious bond that comes from God, to a mother, when she gives birth.

A mother's love is forever strong, never changing for all time... and when her children need her most, a mother's love will shine.

God bless these special mothers, God bless them every one... for all the tears and heartache, and for the special work they've done.

When her days on earth are over, a mother's love lives on... through many generations, with God's blessings on each one.

Be thankful for our mothers, for they love with a higher love... from the power God has given, and the strength from up above.
