

GRAND PRESIDENT'S MESSAGE

Grand President's Message

Grand President Official Visits

Following my June 22 installation at St. Theresa's Church in **South Lake Tahoe** and Inaugural Banquet at **Stateline**, Nevada, my first trip was to speak at the Young Ladies Institute Convention on June 27. I thanked the YLI delegates for their institute and individual support of the YMI's annual Essay Contest and Raffle. Our sister organization is thriving. They convened in **Glendale**. Here I met with their parish priest who had never heard of the YMI but expressed interest. I was part of a media conference on July 14 which resulted in considerable news coverage for the YMI. On July 26, PGP Mike Nelson and I traveled to **Three Rivers** to present stipends to the Seminarians studying for the priesthood. Most had little knowledge of the YMI. It seems that we have a lot of promotional work to do. Then I participated in some obligatory meetings and services: Education Foundation on July 26, the funeral of longtime YMI member on July 27 from **Casa Grande, Arizona**, Grand Board of Directors on July 30, Convention Planning research visits to **Fresno** and **Santa Nella**, and committee on August 1. On August 2, **Dos Palos** Council #99 honored me with a Homecoming and I presented \$2,000 in scholarships to local students. Next, GSVP Billy Avery joined me for a dinner meeting with St. Columba Council #94 in **Chowchilla**. Council President Ralph Perry is leading this active council well and District Deputy Gene Espinola is a great asset. On August 7, my wife and I attended a Picnic at St. Junipero Serra Park in **San Bruno**. Here we joined a gathering of members from **South San Francisco** Council #32 and St. John Bosco #613 **San Francisco**. On August 14, we enjoyed a barbecued lunch at Veteran's Park in **Atwater** with a large number of members and wives from St. Christopher #80. On a sad note, my next function on August 18 was to lead the Vigil Service for PGP Frank Hepburn in **Fremont**. We learned much from his "can do, never give up" style. On August 24, met with members of **Santa Rosa** Council #40. This council has had a lot to deal with but President Harry Licursi's work to get them back on track is appreciated. Then we were off to neighboring **Sebastopol** Council #54 for a fine barbecue at the Carinalli's joined by PGP's Tom Fourie, Mike Amato, and Nick Franceschine and GFVP Steve Cresci.

Next, it was time for a "Red Shirt Breakfast" in **Alameda** on September 10, with American Council #8 **Oakland**. Another Grand Board of Directors meeting on September 17. On September 22, we joined with Holy Rosary Council #44 **Hilmar** for a family bowling night in **Turlock**. On October 1 we enjoyed a picnic lunch at Chichibu Park in **Antioch** with Sadoc #59 **Pittsburgh**. PGP Frank DiMaggio and Council President Robert Laxner are working hard to recruit new members. On October 16, we attended a funeral in **Capitola** for the wife of a charter member. We had lunch with their parish pastor, who also had never heard of the YMI but said our organization would fit well with his parish. On October 18 we attended a meeting and lunch with the members and wives of **San Jose** Council #2. I called in to the Educational Foundation meeting on October 25. Thank you to everyone for welcoming my wife and I to your councils. We are now planning visits to the remaining councils in California and those out of state. Darrell Fonseca #99, Grand President 2022-2023.

Typically, these are closely guarded until promulgated at the Grand Council Session and once submitted for approval by the Board of Grand Directors.

Act today and contact the Committee if you have any nominations.

Forty-Ninth Annual Essay Contest is Underway

Brothers:

By now you have received the Entry Form for the 2023 YMI Essay Contest. Is your form sitting on the kitchen table beneath a heap of mail? I hope not.

Here is the thing there is over \$ 10,000 in cash prizes to be awarded to Catholic students grades 7 through grades 12. The contest has always been a great way to bring recognition to the Young Men's Institute. Beyond that, it is a perfect opportunity to attract and bring in new members. Winning students, sponsored by a YMI member and council is the key.

I encourage you to reach out to family – nieces, nephews, cousins, grand children – the list goes on and on. With Thanksgiving around the corner and families gather it is a great time to let everyone know about the contest. Christmas break, students will probably have some time to enter the contest with some encouragement.

Beyond that here are some other suggestions:

- Get an announcement in your church's bulletin
 - Bring the Essay Forms to your next business meeting, social event, membership drive
 - Ask your Parish priest if he can mention the contest during weekly mass announcements
 - Reach out to Religious Ed Confirmation teachers
 - Do you coach an athletic team? Consider passing out the contest form to the athletic students
- Here are some few key points to remember:

- Deadline January 19, 2023
- Open to Catholic Students (Private or Public school) Grades 7 through 12
- Be sure to include your name as sponsor and council number on the entry form
- Additional forms can be obtained from <http://www.ymiusa.org/>

An integral part of the Annual Essay Contest is the YMI Pro-Patria raffle. Without this fund-raising activity there would not be any cash prizes for the Essay Contest. Your support is greatly needed.

Be sure to carry the raffle tickets with you wherever you go. There is always going to be an opportunity to ask a friend, neighbor, co-worker to buy tickets. Having a function at church or hospitality table following a mass? Always have raffle tickets available for purchase.

I am always looking for feedback and your ideas on what has worked for you in the getting the word out about the Essay Contest. Feel free to reach me by phone 415-297-5816 if you have any questions, comments or by email scresci16@gmail.com.

State of the Institute Committee

Brothers: The State of the Institute Committee is the group within the YMI that reviews our rules and By-Laws each year, trying to find ways to improve our organization, for the benefit of our Brothers and their families. Last year, this Committee recommended extending our Death Benefit program to all dues-paying Brothers, and that change was adopted at our 2022 convention.

This year, we are again discussing many different ways in which the YMI can be improved – and we want to hear from you! If you have an idea about something we could be doing better, or a way that the YMI can be more efficient or effective, please let me know. You can reach me by email at: nick@northbaypensions.com or by mail at: 550 Du Franc Ave., Sebastopol, CA 95472. Thanks!

Pro Deo, Pro Patria

Nick Franceschine, chair of the Committee

Meet our First Lady

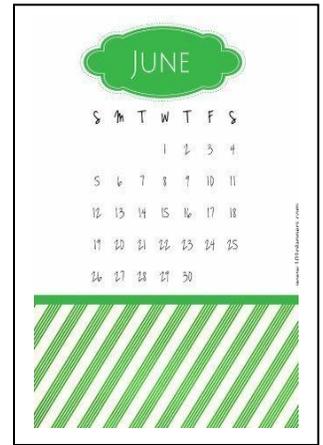

Many of you have had the opportunity to meet this year's First Lady, my wife Maria.

She is an extraordinary woman. Maria immigrated to the United States 43 years ago from Porto, Portugal. She is the mother of three, with two daughters and a son: the grandmother of eight, with six granddaughters and two grandsons, and one great grandson. She worked in various jobs, became a successful Realtor, opened, and operated a chain of three Dry Cleaners stores, was named 2017 Businessperson of the Year in Los Banos, California, attended college while working, obtaining an Associate of Science, then a Bachelor of Science in Business Administration from Colorado Technical University. She is a past president of the Women's Improvement Club. She has served as a local past president and Institute Deputy for the Y.L.I. She serves our parish as a Eucharistic Minister and as a Bible Study leader. She is an outstanding cook, crafts maker, is fluent in Portuguese, Spanish, and English, and has a strong interest in politics and world affairs. On September 25, she and I met the President of Portugal on his U.S. tour. Maria has accompanied me on many of my official visits. Her love, advice, and support are very important to me.

All of us have had an important woman in our lives. The Blessed Mother Mary has a significant role in the life of our Church and that of our Lord Jesus Christ. In our personal lives, no one has a greater influence than our own Mother. Even though I lost mine many years ago, she continues to influence me. In my travels as Grand President, I have noticed that the YMI councils which have family activities and the involvement of wives, significant others, or girlfriends, seem to have the most energy. In closing, I recall John Lennon's lyrics, "Woman, I will try to express, my inner feelings and thankfulness, for showing me the meaning of success."

Plan to attend the Grand Convention

“You need to go the Grand Council Convention.” These were the words that Brother Billy Pimentel said to me several years ago. I had been a long-time member who served locally as an active member. Yet, something was lacking. I didn’t see the connection to the Grand organization. So, I took his advice. Wow, my eyes were opened! Here I met members from across the nation who, like me, worked hard to give something back, had the same concerns, but were working at a higher level. The YMI is a great organization. Participating in a Grand Convention helps one to really understand the magnitude of our reach and the opportunities that await us.

As a Grand President from the “Big Valley” I wanted to showcase our area and its agricultural leadership. Unfortunately, a convention here would be considerably more expensive. It was the planning committee’s collective thought that higher room rates would discourage members from attending. Further, many of our nearby members commented that they would commute rather than stay at a closer convention. To achieve maximum social success, members need to be at the convention, not merely attending meetings. So, a decision was made to return to reasonably priced Lake Tahoe.

Please plan now to attend the 2023 Grand Council session. It will be **Tuesday, June 21, Wednesday June 22, and Thursday, June 23**. Some arrive on Monday and some leave on Friday or stay the weekend. Every council has delegate positions available. We will be voting on many important matters. Our meeting sessions will be efficient not long. You will make many new friends. Our social events are fun, the ladies are invited. The food is good. The hotel is nice. The area is beautiful. Let’s all have a great time together. Darrell Fonseca #99, Grand President 2022-2023.

Let's Keep CHRIST in Christmas!

In this happy season, many religious authorities will encourage us to “Keep Christ in Christmas”. This is a great idea – and here are some practical ways that we can all do this:

- Christmas cards – when you buy Christmas cards (if you haven't already), pick ones with a religious theme.
- Postage stamps – by tradition, every year the US Postal Service offers two stamps for the holidays: a secular one (Santa Claus or a wreath, etc.) and a religious one (usually a reproduction of a famous painting showing the Madonna and Child). The government has to be careful not to officially endorse any particular religion, but they know we want religious Christmas stamps, so this is their compromise.
- Say an Advent prayer before dinner, together, as a family. This can include lighting candles on your Advent wreath.
- Put a nativity scene in a prominent place in your home. Everyone who visits you will see it! And be sure to:
- Hide the Baby Jesus – then bring Him out with a flourish on Christmas eve or morning. Sing a carol, maybe read the Christmas story from the gospel of St. Luke with a candle burning. And all this before we all open gifts for each other. This will especially impress the children, so they will see what Christmas is really all about.
- Give God a special gift, just from you to Him. No one else needs to know about it. This should be a sacrifice of some kind. Some ideas: forgiving someone that you need to forgive, or praying for someone who has wronged you.
- Sing Christmas carols in a nursing home or hospital with friends (check with the facility first to make sure it's ok, and when it will be convenient for them). This is much easier than it sounds. Afterwards you can have lunch together somewhere, make a day of it.
- Compliment businesses and stores that publicly display a nativity scene. This used to be much more common than it is now. Scenes showing a mythical Santa Claus are considered ok, even Muslim symbols are accepted, but anything explicitly Christian seems to evoke hatred. These days, it takes courage for a business to show a nativity scene.
- Greet people with “Merry Christmas” instead of Happy Holidays or Seasons Greetings.
- At your Christmas dinner, set a place for the Guest of Honor. It's His birthday!

Merry Christmas

From the Desk of the Chairman of the Board

My Brothers of the YMI,

It is with great sadness and sorrow that the Board has lost a true and faithful Brother of the Young Men's Institute, by the passing of Brother Frank Hepburn #2, PGP.

Brother Darrell Fonseca #99, GP, recommended that Brother Alex Preciado #2 fill the opening on the Board of Grand Directors. Brother Preciado is from the same Council, San Jose Council #2, and has participated in Past Grand Directors meetings as a District Deputy Grand President. It was approved unanimously by the Board to have Brother Alex replace Brother Frank Hepburn #2, PGP. Brother Alex, it is an honor to have you on the Board of Grand Directors. Brother Alex will fill Brother Hepburn's committee assignments going forward.

The Grand Council Planning Committee with Brother Fonseca, GP reporting that the committee has met three times to go over the bids from Fresno and Lake Tahoe. While the committee gave strong consideration to Fresno, the economics of the bids persuaded the committee to reach a consensus in selecting Lake Tahoe again. The committee is also looking at the 2024 Convention location. Brother Fourie informed us that he had contacted the Bally Hotel in Tahoe and we have reserved our 2023 Convention at the 2022 prices.

Brother Bill Avery #80, GSVP covered activities, including efforts to arrange the 2023 Red & White Mass at St. Anthony's Catholic Church in Atwater on March 11, 2023.

Brother Fourie, Business Manager, reports of the need for the Grand Council to once again visit individual Councils (Business vs. Social Official Visits) in order to remind Council Officers of processes and protocols. He indicated this need, as he sees irregularities in Council reports (financial, membership counts).

I would like to thank all of my Brothers for your attending Zoom Meetings and all of your help in making my term as your Board Chairman successful. I would like to thank Brother Steve Cresci for his hard work for us to have our successful Zoom meetings.

Yours for God and Country,
Thomas Figueira #573, GD

Chairman of the Board

YMI Grand 2nd Vice President's Report

Brothers of the YMI,

First let me say Happy Holidays, Thanksgiving, Christmas, and New Year's 2023 from the GSVF Billy Avery. For me 2022 has been a much better year than the previous two years. With the Pandemic of Covid-19 winding down and in person meetings starting back up, I am extremely optimistic that the YMI will have a great year for all councils in 2023. I was delighted to attend an in-person Grand Session in June and visit with brother from all over, it was great. I guess I didn't realize how much I missed getting together in person.

This August council #80 held its annual YMI/YLI picnic at Veterans Park in Atwater, and we were joined by the ladies of the YMI for the event. Our Grand President Darrell Fonseca was in attendance along with PGP Mike Thissen, PGP Luther Evans, PGP Mike Nelson, and PGP Larry Silva. It has been some time since we were able to enjoy an event with our sister organization and it was a great success.

As the newly elected Grand 2nd Vice President, it is my turn to make arrangements for the 2023 Red and White Mass. I am lucky to be a member of a council with multiple Past-Grand Presidents to look to for advice. Recently I met with Fr. Paul Kato, and PGP Mike Nelson and father has given us the go ahead to have the Red and White Mass at the 5:00 pm mass at St Anthony's church in Atwater. I am especially pleased about having the mass at St Anthony's because the church hall shares the parking lot with the hall so it's only a short walk from the church to the hall.

So please save the March 11, 2023 Date:

Where: Saint Anthony's Catholic Church

1799 Winton Way

Atwater, CA 95301

When: Saturday, March 11, 2023

I am working on the menu and pricing for the flyer and signup sheet, which I will have completed soon.

As we all know, Last June a by-law change was passed during grand session that eliminated the 'associate member' status from the YMI and all former associate members have now been redesigned as 'benefit members' and are now eligible for the survivor benefit. For my council, I have been designated to work with the former associate members to complete and gather beneficiary forms. This task has been more challenging than I expected. There are still a few brothers who need to complete a form. It's amazing how much has changed from Covid-19. It will take a while longer for my council to finish getting all the forms, but working this task has also made other brothers think about the beneficiary forms currently on file and I am also receiving updated forms because the change in the YMI by-laws and made people think about updating before something unexpected happens. The loss from the Covid-19 pandemic has affects that will be felt for many years to come.

Yours for God and Country,

Br. Billy Avery
